

### **Online Classroom**

The Love Says Go Academy uses an online education platform, a simple and easy to use tool that allows everything to be in one location. Everything from the school, all videos, quizzes, assignments, syllabuses and policies will be accessible via the Love Says Go Academy online classroom throughout the whole trimester. Each student will receive an email with a default password, requesting them to login and create their own unique password.

### **Video Classes**

These are prerecorded HD video classroom teaching sessions filmed exclusively for this school. Each Monday by 9am P.S.T. LSG Academy unlock the weekly video lesson. These videos are strictly not to be shared in anyway. The only exception is that spouses and family may view the video with the student in person. Each video must be watched within two weeks of receiving the video. Videos can be watched multiple times within that two week window of time.

### **Supernatural Activations**

We have many 'in class' supernatural activation times to encourage growth in hearing and seeing in the Spirit. These happen at the end of the video teaching.

### **Graded Tests**

Every week, an online review test will accompany the video class. The test consists of a 5-10 question review of the corresponding video.

### **Love in Action Steps**

Each week the students will be able to choose to complete one love in action step. These are designed to practice putting into action loving others in power. There are 3 risk levels the students can choose from and multiple choices in each category. I promise these will be really fun!

### **Book Requirement**

Love Says Go, by Jason Chin, is required reading during the 12 week semester. There will be a 15 question online review that the student must submit in order to receive a complete in the course.

### **LSGA Graduation Ceremony**

Love Says Go graduation ceremony will be held in Las Vegas, NV, at Encounter Church LV. We partner with a powerful annual conference at Encounter Church called "Love Explosion" scheduled in September. We will have a banquet and graduation ceremony for all the students (and their guests) that complete the course. This event is life changing! Please plan ahead to join us.

## **FAQ**

Q: Can I still take the LSGA course and not do the homework?

A: Yes, you can still take part of the LSGA course, but without completing the homework, you will not be eligible to receive LSGA completion certificate. You would be considered an “auditing” student.

Q: What does LSGA Completion Certificate mean?

A: Your completion certificate will allow you to return to the Second year of LSGA.. LSGA is working towards accreditation and that would allow your completion certificate to be transferred towards a degree.

Q: What happens when I do not turn in my homework on time.

A: You have 2 weeks to complete the homework. If you fall behind you will have to email the director to let her know why. If you are more than 4 weeks behind on any homework or quizzes you will be considered an “auditing” student and not receive the completion certificate.

Q: Who do I contact with any questions concerning the LSGA?

A: Any and all questions regarding the LSGA should be sent to lovesaysgoteam@gmail.com.
